Bilia 230V _Pendant

Pendant lamp created by combining the Baby model with mouth-blown borosilicate glass diffusers. The bell design of the diffuser is inspired by the Zafferano colored glass tumbler collection of the same name; it is decorated with two spherical glass elements ("Bilie") available in five colors: transparent, silver, antique gold, bronze, sandblasted; and is available in two sizes (diameters of 18 and 27 cm). The lamp is also designed for modular use. Suitable for indoor use only.

LED | dimmable | IP40
