Easy Peasy,
Design by Luca Nichetto

Model Easy Peasy Lagoon

With a strong personality and a sculptural form reminiscing the shape of bells, Easy Peasy is a set of portable and rechargeable table lamps, consisting of two rounded elements, a body and a knob. Made of blown glass, *Easy Peasy* allows for personal customisation of the living spaces. Its portability, different shapes and colours, and the *dim-to-warm* functionality of its light source allow users to connect, play and interact with the variable configuration options.
