Mariposa _Wall - ceiling lamp

Wall-ceiling lamps.
The diffuser is available in various colors: transparent, amber, amethyst, and grey for the square lamp; with the addition of light blue for the round lamp.
The frame is made of white painted metal with chrome details.
These new versions have been redesigned with a dimmable LED light source, which not only increases the wattage and luminous efficiency but also ensures they comply with the minimum requirements of the Ecodesign Regulation.
Each product is provided with accessory lenses to increase the aperture of the light beam.
Mariposa is designed for modular use and can be customized in colors and finishes. Suitable for indoor use only.

LED | dimmable | IP20
