Ocean Cay _Table lamp

The Ocean Cay cordless table lamp draws its design inspiration from the iconic lighthouse on Ocean Cay, a Bahamian island now part of MSC Cruises' marine reserve. Designed by renowned Italian architect Matteo Ragni, this portable lamp is crafted from high-quality die-cast aluminum, ensuring both durability and style. Its unique red and white striped design evokes the spirit of adventure, the charm of the sea, and the freedom of travel, making it a perfect addition to any space.
Its rechargeable lithium battery provides up to 11 hours of light, perfect for any occasion. The touch button allows you to easily switch it on, adjust brightness, and select from three color temperatures: cool, natural, and warm. Whether you're hosting an outdoor dinner, enjoying a cozy reading session, or simply relaxing, the Ocean Cay lamp adapts to every occasion with elegance and functionality.
Available exclusively through Zafferano and MSC Cruises' official channels, this lamp is a celebration of Italian design and maritime inspiration. Light up your home or outdoor spaces with the Ocean Cay lamp, and bring the beauty of coastal charm into your everyday life.
