Poldina _Garden stake lamp

Cordless, rechargeable, battery garden stake lamp. A touch control on the top of the lamp head allows you to switch the light on, adjust its intensity and select its color temperature. And thanks to its high IP rating, the lamp can also be used outdoors. An electronic control system monitors and indicates the remaining battery power to ensure recharging is optimized and always performed correctly. The lamp comes with a magnetic head that can be removed and recharged easily on its own contact charging base. USB charger included. The lamp can be customized with a ceramic cover that can be purchased separately. A range of stems that increase the height of the lamp are available as accessories that can be purchased separately).
