See You _wall

Sconce with LED equipped with infrared camera, great for night vision. Resolution 1080p (1920 x 1080). An internal switch can be used to select indirect light / direct light / direct and indirect light. There is a slot for a micro SD memory card (not included) that automatically records camera images; when the memory card runs out of space, older files are overwritten by new ones. The lamp can be controlled remotely if connected to a 2.4 GHz Wi-Fi network. The product works best via the Zafferano Lighting app and is also compatible with Tuya Smart, Alexa and Google Home.

LED | dimmable | IP65
