Sferis _Pendant

Pendant lamp with diffuser in mouth-blown satin-finish opal glass shade, available in five sizes. The 60-cm-diameter version has a metal frame; the 25-, 30-, 40- and 50-cm-diameter versions, on the other hand, feature a transparent polycarbonate frame with an opal cover, which follows the shape of the diffuser, making it more minimal and refined, and ensures a 360-degree light diffusion. The lamp is also designed for modular use. Suitable for indoor use only.
